LEARN HOW TO COUNTER CULTURE

DAVID PLATT

Battles are raging over a number of social issues in our culture today. The same gospel that informs and compels our response to one of these issues should inform and compel our response to all of them. Yet we tend to pick and choose. Almost everyone opposes slavery and sex trafficking. But we are not in such agreement on issues like abortion and sexual immorality. Using biblical foundations, practical illustrations, and personal exhortations, this Bible study is a pointed yet winsome call for readers to faithfully follow Christ. There is a cost. There is a reward. Are you ready to counter the culture?
